WALKMAN

D-NE050PSBLK

Psyc® MP3 CD Walkman® Portable Compact Disc Player

Features

- **MP3 Playback Support** Allows playback of MP3 files (16-320kbps) downloaded and recorded onto a CD-R/RW disc[1] .
- **CD-R/RW[1] Playback** Plays all CD-R/RW discs burned either in a PC or a home recording deck. Create custom mixes from your existing music collection and always have the right music at hand.
- **Skip-Free[2] G-Protection™ Technology** continues to provide quick recovery from both horizontal and vertical shock.
- **Off Timer Auto Shut Off Feature to Conserve Battery Life** Maximizes battery life by powering down the player when not in use.
- **8 Playback Modes** offer many predetermined choices in the playback of CDs, including hearing one track over and over, hearing a selection of tracks in a desired order, or listening to tracks randomly.
- **Bookmark Playback Function for Easy Programming** You can easily program your favorite songs from multiple CDs and play them back with the touch of a button. This feature makes it easy to program and playback a personalized mix of your favorite songs.
- **Digital Mega Bass® Sound** uses digital processing technology to produce rich, deep, bass tones with extremely low harmonic distortion.
- **Digital Volume Function** provides precise adjustment of volume level, while the volume level appears on the LCD display.
- **2 Position Automatic Volume Limiter System (AVLS)** maintains volume output at levels below distortion threshold for cleaner sound reproduction.

Specifications
